NORDIC VASCULAR ROUNDTABLE DISCUSSION

Thursday, March 18 – Friday, March 19, 2027

Radisson Blu Airport Hotel, Oslo Gardermoen
Henrik Ibsens veg (B), 2060 Gardermoen
Meeting room: Frigg
(walking distance of the terminal)

Dear colleagues,

You are all heartily welcome to Oslo for an exciting exchange with Nordic colleagues!

Cases will be presented and in a good mix of colleagues in small groups these will be discussed. There will be 5 suggestions of solutions and each group should at the end select one.

After the discussions there will be a state-of-the-art lecture motivating why one suggestion might be preferred.

We are convinced that this type of exchange will bring new dimensions into our exciting field of Vascular Surgery.

The themes abdominal iliac aneurysms, aortic dissections, aortoiliac occlusive disease and complex aortic aneurysms will be covered by a faculty with representatives from different Nordic countries.

We think this is exciting and hope you will join other Nordic colleagues in this inspiring way to share knowledge and clinical experiences.

Welcome!

Arne Seternes
St. Olavs University Hospital,
Trondheim, Norway

Magnus Jonsson
Karolinska Sjukhuset,
Stockholm, Sweden

Agenda

Day 1, March 18, 2027

14:00	**Welcome and introduction** Arne Seternes, Magnus Jonsson
